

## **82. I am not at war (Luka Bloom)**

I am not at war with anyone

I am not at war with anyone  
Go away warplanes  
You bring fear and shame  
I am not at war with anyone

I give my love to Iraq and to America  
I give my love to Israel and to Palestine  
We could live as one  
Between the sea and sun  
I am not at war with anyone

I don't need to be friends with everyone  
But I'd like to live in peace with everyone  
This rush to war is wrong  
and so I bring this song  
I am not at war with anyone

I am not at war with anyone (2x)  
Mmmmmmmmm  
I am not at war with anyone  
Go away warplanes  
You bring fear and shame  
I am not at war with anyone (5x)
